

**Volunteer Program Application
(Required for all Family Cap Families and Scholarship Recipients)**

Thank you for your interest in volunteering at SonDance. SonDance is able to provide low tuition rates, including the deeply discounted Family Cap and other scholarships, because people like you offer to help out and keep our costs down. Included in this packet is your general agreement to be involved in the volunteer program in return for financial assistance, as well as a questionnaire that will help us determine where you might enjoy serving at SonDance. Thank you very much.

All families who are receiving the tuition discount under the Family Cap and/or receiving any form of scholarship will be required to and agree to volunteer in some capacity during the year. The commencement and the continuation of receiving financial assistance or the monthly Family Cap tuition rate at SonDance will be contingent upon the family and/or dancer faithfully executing their volunteer duties to which they have agreed throughout the entire dance season.

Also, as you know, all SonDance dancers perform in three productions each year: 1) Nativity, a Christmas production on Friday and Saturday, December 8 and 9, 2017 at 6:30 PM 2) Our year-end Spring Recital Friday - Sunday, May 18 -20, 2018 and 3) our Annual Auction on Saturday, June 23, 2018. All families who are receiving the tuition discount under the Family Cap and/or receiving any form of scholarship will be required to and agree to be available to volunteer at these events. Please reserve these dates now. *We understand that the Nativity production is during the holiday season and so for that production, please let us know if you cannot help out.*

Based on your availability and interests, SonDance will be in touch with you about the specific volunteer task we would like you to do.

Availability: Please circle the day(s) and list the time frame you are available.
