

# Women's Ministry

*Trust . . . Discover . . . Break Free . . .*

Best selling author Renee Swope asks "Do you ever feel like you're not good enough, smart enough, or valuable enough?" This year we have chosen her book "A Confident Heart" to discover how to "live confidently in your God-given purpose, passion and personality" . . . and "break free from people-pleasing and performance-based living." We will study this book - one chapter a month - right through to our annual retreat.

## **Join the Women's Ministry Book Club**

We begin on October 27th at 10:00 am; at that time we'll discuss what works best for everyone for future meetings.

*(Cost of the book club is \$20, which includes the book. Please sign up in the foyer and please give Linda your payment by October 19th, so we can order your books.*

*Also available is an optional daily devotional companion book for an additional \$12.)*
